A GREAT HISTORY OF A GREAT PEOPLE
AN EPOCH-MAKING WORK COVERING A PERIOD
OF ABOUT FOUR THOUSAND YEARS

PROF. HEINRICH GRAETZ'S
HISTORY OF THE JEWS

THE MOST AUTHORITATIVE AND COMPREHENSIVE
HISTORY OF THE JEWS IN THE ENGLISH LANGUAGE
HANDSOMELY AND DURABLY BOUND IN SIX VOLUMES
Contains more than 4000 pages, a Copious Index of more than 8000 Subjects, and
a Number of Good Sized Colored Maps.

SOME ENTHUSIASTIC APPRECIATIONS

DIFFICULT TASK PERFORMED WITH CONSUMMATE SKILL
"Graetz's 'Geschichte der Juden' has superseded all former works of its kind, and has been
translated into English, Russian and Hebrew, and partly into Yiddish and French. That some
of these translations have been edited three or four times—a very rare occurrence in Jewish
literature—are in themselves proof of the worth of the work. The material for Jewish history
being so varied, the sources so scattered in the literatures of all nations, made the presentation
of this history a very difficult undertaking, and it cannot be denied that Graetz performed his
task with consummate skill."—The Jewish Encyclopedia.

GREATEST AUTHORITY ON SUBJECT
"Professor Graetz is the historiographer par excellence of the Jews. His work, at present the
authority upon the subject of Jewish History, bids fair to hold its pre-eminent position for
some time, perhaps decades."—Preface to Index Volume.

MOST DESIRABLE TEXT-BOOK
"If one desires to study the history of the Jewish people under the direction of a scholar
and pleasant writer who is in sympathy with his subject, because he is himself a Jew, he should
resort to the volumes of Graetz."—Review of Reviews (New York).

1909
PREFACE

The continued discrimination by the Russian Government against American citizens of the Jewish faith desiring to enter Russia for business or pleasure, and the resulting fact that the passports of these American citizens are not honored by a nation with which our Government is at peace, and in defiance of treaty stipulations, is an infringement upon the equal rights of our people which, as American citizens, they will energetically contend against until this disability is removed. Much has been written and published on this subject. In the Year Book for 5665 (1904-05), there was printed a selection from the Foreign Relations, of the most important dispatches which had passed between our Department of State and the Russian Foreign Office. Congress has for more than thirty years endeavored by resolutions of inquiry and instruction to aid in righting this great wrong. It is deemed advisable in the present volume to bring together in abstract the history of Congressional action on this subject.
The co-ordination of a very large number of the existing Jewish organizations in New York City into an organized form under the general title of The Jewish Community of New York City, was the event of capital importance of the year. It is therefore regarded as of historical and practical importance to devote a separate article to this subject.

The present, which is the eleventh issue of the American Jewish Year Book, appears under the same arrangement as last year. The compilation of the work has been done for the American Jewish Committee, and the Jewish Publication Society of America is the publisher. As the experience of previous years has resulted in bringing together, in handy form, the matter most needed for communal work and of the greatest general interest to all people concerned in Jewish affairs in America, no important innovations have been made. The order of the matter has been somewhat rearranged in the hope that it might prove more useful, and the list of Leading Events has been considerably extended and classified by countries.

I desire to acknowledge the efficient aid rendered by
F. M. Brylawski, Esq., of Washington, and the valued cooperation of Albert M. Friedenberg, Esq., of New York, and Miss Henrietta Szold, Secretary to the Publication Committee.

Herbert Friedenwald.

is called 670 (וערה) according to the short system (לאר). It is a defective Leap Year of 13 months, 55 Sabbaths, 383 days, beginning on Thursday, the fifth day of the week, and having the first day of Passover on Sunday, the first day of the week; therefore its sign is א.wr, i. e., פ for fifth, צ for defective (עדה), and א for first. It is the eighth year of the 299th lunar cycle of 19 years, and the fourteenth year of the 203d solar cycle of 28 years, since Creation.
