American Jewish Year Book
Preface

Jewish life around the world is reported on in a series of articles dealing with Israel, Canada, Great Britain, France, Germany, the Soviet Union, Poland, Romania, Hungary, Yugoslavia, and South Africa. New estimates for the world Jewish population are given.

Carefully compiled directories of national Jewish organizations, periodicals, and federations and welfare funds, as well as religious calendars and obituary notices, round out the 1984 AMERICAN JEWISH YEAR BOOK.

We are very grateful to our colleagues Carol Sue Davidson and Nechama Dina Nerenberg for technical and editorial assistance. Thanks are also due to Joan Margules for her proofreading efforts and to Diane Hodges for compiling the index. Finally, we acknowledge the aid of Cyma M. Horowitz, director of the Blaustein Library, Lotte Zajac, and all our other co-workers in the Information and Research Department.
