(Continued from front flap)

Articles on Jewish life in the United States are "National Affairs," by Richard T. Foltin, and "Jewish Communal Affairs," by Lawrence Grossman.

Enhanced coverage of the Middle East is provided through Hanan Sher's detailed review of the year's events in Israel, and George E. Gruen's analysis of the situation in Turkey.

Significant developments in other Jewish communities are reported on in articles about Canada, Brazil, Argentina, Great Britain, France, Belgium, the Netherlands, Italy, Switzerland, Germany, Austria, East-Central Europe, the former Soviet Union, Australia, and South Africa.

Updated estimates for the world Jewish population and a review of what is known about the U.S. Jewish population are also included.

Carefully compiled directories of national Jewish organizations, periodicals, and federations and welfare funds, as well as religious calendars and obituary notices, round out the YEAR BOOK.

FOR OVER A CENTURY, THE YEAR BOOK has been the standard, authoritative record of events and trends in American and world Jewish life, providing reviews, analyses, reports, directories, lists, tables, calendars, and statistics. Communal workers, clergy, librarians, journalists, teachers, and students will find the **YEAR BOOK** an indispensable reference tool, and the general reader will find it informative and stimulating.

THE AMERICAN JEWISH YEAR BOOK belongs on every reference shelf and in every home library.
